Short term and seasonal rentals

Chalet River Lodge is spread spaciouly across three floors and sleeps 14 people in 4 bedrooms and a 5th convertible bedroom.

At over 3500 square feet the house is ideally suited to be shared by multiple families with the bunk-bed room offering space for 6 kids.

The adults will be left with their choice of private bedrooms with king or queen beds.

Located on Riviere Le Diable (The Devil's River) guests can share a peaceful stroll along the river's edge with the neighbouring deer or x-country ski right from the chalet door to over 80 km of trails.

An additional 450 square feet of living space can be found on the deck, including 150 square feet of exterior screened in dining area.

The lower level offers an animated set of entertainment options. Guests can choose between a game of pool, an in-house BluRay movie theatre (7.1 surround sound, and 120 in screen), or even PlayStation 3 on a life-size screen. The outdoor (screened-in) hot tub provides some much needed relaxation and soothing massage after a day on the slopes or the biking / hiking trails.
